## EXPERIENCE

05/2018 – Present

### Journeyman Electrician / Crew Lead

[Front Range Electric Co.](#) · Denver, CO · United States

Lead electrician on commercial tenant improvements and multi-family projects.

- Run crews of **3–5 electricians and apprentices** on build-outs from \$40K to \$1.2M.
- Perform load calculations, panel schedules, and conduit layouts from architectural and electrical drawings.
- Coordinate inspections with city of Denver and Xcel Energy; first-pass inspection rate above **95%**.
- Troubleshoot service calls — shorts, tripped breakers, failing fixtures — typically resolved same day.

07/2013 – 04/2018

### Electrician

[Mountain States Mechanical & Electrical](#) · Colorado Springs, CO · United States

Worked new construction and remodels — single-family homes, small office build-outs, and a hospital expansion wing.

- Roughed in branch circuits, installed panels and subpanels, terminated devices and fixtures.
- Bent and ran EMT, rigid, and PVC conduit; pulled feeders up to 400A.
- Mentored two apprentices through their first-year hours.

08/2009 – 06/2013

### Apprentice Electrician

[IBEW Local 113 — Apprenticeship](#) · Colorado Springs, CO · United States

Completed a four-year registered apprenticeship combining **8,000 on-the-job hours** with night classroom instruction. Rotated through residential, commercial, and light industrial work.

---

## EDUCATION

08/2009 – 05/2013

### Certificate, Electrical Technology

[Pikes Peak State College](#) · Colorado Springs, CO · United States

Classroom component of the IBEW/NECA apprenticeship — circuit theory, the National Electrical Code, motor controls, and OSHA construction safety. Completed with a 3.7 GPA.

08/2004 – 05/2008

### High School Diploma

[Centennial High School](#) · Pueblo, CO · United States

Two years of vocational electronics and shop coursework. Captain of the wrestling team junior and senior year.

---

## HOBBIES & INTERESTS

Restoring an old Ford pickup with my brother, elk hunting in the fall, coaching my kid's youth wrestling team, and the occasional weekend fishing trip up the Arkansas River.

---

## SKILLS

- NEC Code Compliance · Expert
- Blueprint & Schematic Reading · Expert
- Conduit Bending (EMT, Rigid, PVC) · Expert
- Troubleshooting & Service Calls · Expert
- Panel & Service Installation · Experienced
- Motor Controls & VFDs · Experienced
- Crew Leadership & Scheduling · Experienced
- Low-Voltage & Data Cabling · Skillful

---

## PROFESSIONAL SUMMARY

Licensed journeyman electrician with 12+ years in commercial and residential construction. Strong on **NEC code compliance**, blueprint takeoffs, and troubleshooting service calls without callbacks. Comfortable running crews on tenant build-outs, pulling permits, and coordinating with GCs and inspectors to keep jobs on schedule. Clean safety record across more than 20,000 field hours.

---

## TECHNICAL PROFICIENCIES

**Systems:** Service entrances, branch circuits, sub-panels, three-phase distribution, transfer switches, generators

**Controls:** Lighting controls, occupancy sensors, motor starters, VFDs, lighting contactors, time clocks

**Tools & Equipment:** Greenlee benders, Klein meters, megohmmeter, wire pullers, scissor & boom lifts

**Codes & Standards:** NEC (NFPA 70), NFPA 70E, OSHA 1926 Subpart K, local Denver amendments

---

## PROFESSIONAL TRAINING

01/2023 – 02/2023      **2023 NEC Code Update**  
IEC Rocky Mountain

03/2022 – 03/2022      **Arc Flash Safety / NFPA 70E**  
IEC Rocky Mountain

---

## LICENSES & CERTIFICATIONS

06/2013 – Present      **Colorado Journeyman Electrician License**  
Colorado State Electrical Board

04/2019 – Present      **OSHA 30-Hour Construction**  
OSHA Training Institute

03/2022 – 03/2025      **NFPA 70E Arc Flash Qualified**  
IEC Rocky Mountain

05/2023 – 05/2025      **First Aid / CPR / AED**  
American Red Cross

---

## EXTRACURRICULAR ACTIVITIES

09/2017 – Present      **Apprentice Mentor**  
[IBEW Local 68 / NECA Apprenticeship · Denver, CO](#)

Take on first- and second-year apprentices on my crew, signing off field hours and coaching them on layout, code, and job-site conduct. Five mentees have topped out as journeymen so far.

---

## VOLUNTEERING

04/2019 – Present

### Volunteer Electrician

[Habitat for Humanity — Metro Denver · Denver, CO](#)

Donate roughly one weekend a month wiring Habitat builds — rough-in, panel sets, and trim-out — and walk volunteer crews through basic safe practices on site.

---

## AFFILIATIONS

2013 – Present

### Journeyman Member

IBEW Local 68 — Denver

---

## POWER STATEMENT

Led the electrical rough-in and trim-out on a **48-unit apartment renovation** three weeks ahead of schedule, coordinating a four-person crew and passing every rough and final inspection on the first walk — saving the GC an estimated **\$60K** in extended general conditions.

---

## ACCOMPLISHMENTS

- Completed 14 commercial tenant build-outs in 2023 with zero failed final inspections.
- Cut average service-call resolution time on my crew by roughly a third by standardizing the truck stock list.
- Mentored five apprentices to journeyman status since 2017.
- Maintained a perfect safety record (zero recordable incidents) across 12+ years in the field.
